FUTURE MEETINGS

Tuesday 22 September at 7.30pm in Old Priory, behind the Old Vicarage.

Richard Gallard will talk about **“The introduction of the Railways to Great Yarmouth”**

After this there will be the **AGM of the Society**. Please let me know if you would like to stand for the committee or if you have any motions you would like brought up at the meeting.

Please let me know if you have any suggestions for future meetings or speakers.

Tuesday 27 October at 7.30pm in the Old Priory, behind the Old Vicarage.

Lorraine Finch, BA Hons, MA, ACR, CF, FRSA.

She has a national and international reputation for sustainability and cultural heritage conservation especially of archives and photographic material. She was recently awarded the Plowden Medal which was endowed by the Royal Warrant Holders Association. She will talk about her work.

Tuesday 3 November.

Visit to Sizewell B Nuclear Power Station. Starting at 1pm

The tour will last up to three hours and involves a distance of one and a half miles. Please ensure that you have valid photographic ID that you can bring with you on the day – a UK issued Driving Licence or a passport of any country. You must also wear sensible clothing which covers all exposed skin on your arms and legs – so no short sleeves or sports socks.

We can take 15 members and I need to let Sizewell know by the end of this month certain details about those in the party. The details required are:

Full name as shown on your identification. (You need to take a passport or driving licence)

Date of birth

Nationality including former or dual nationality

Home address

I suggest we car-share and I need to know the car registration.

There are facilities to make coffee or tea on site and there is a museum which we could visit before the tour. In addition there are eating facilities in the nearby villages.

This is an opportunity to see the inside of a nuclear power station, the plans for the building of Sizewell C and to discuss the part that the outer harbour will play in its construction.

If you would like to go please let me know as soon as possible.

NEW WEBSITE

This is now up and running and can be found at www.civicsocietygy.uk which is slightly different from the old one. It has been produced by Martin Page, our treasurer's son.

GREENING UP GREAT YARMOUTH

Soon we will be replanting the planters in the Market Place and if you would be interested in helping with this project or have any ideas what else we could do to green up the town please let me know.

Best wishes,
